

HULK SMASH

Equipment required

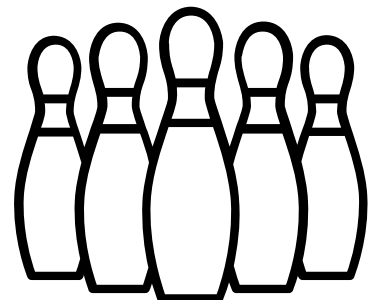

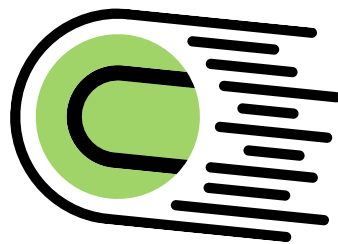

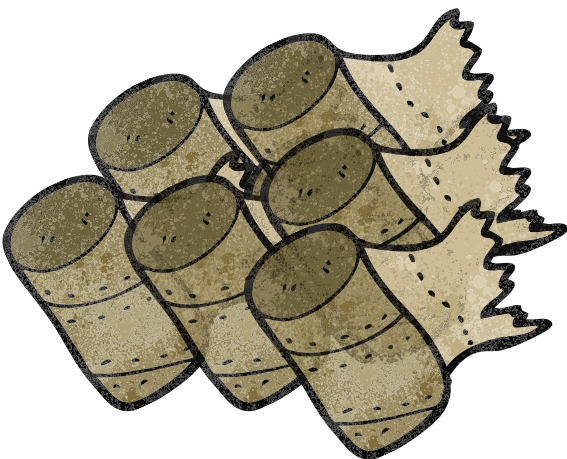

Items such as toilet roll tubes or plastic bottles taken from your recycling. A small ball or screwed up newspaper.

INSTRUCTIONS

Using either toilet roll tubes, plastic bottles or other objects create a pyramid, similar to that at a bowling alley.

Why not challenge your family to knock down as many as they can in one minute.

Be creative and draw pictures of heroes or villains to decorate your pins.

Don't forget to take lots of photos or videos of you having fun at home and send them to us on Braintree District

Scouts Facebook or email
